

## Directions to Green Lane Imaging at Astra Radiology:

**Green Lane Imaging is located within Astra Radiology on the Ground Floor of the Ascot Central building at 7 Ellerslie Racecourse Drive, Remuera, Auckland.**

Ascot Central is located between Ascot Hospital and the Novotel.

### IF YOU ARE COMING FROM THE SOUTH:

- Take the Green Lane exit off the motorway (SH1).
- At the end of the off-ramp, turn right. This takes you around the roundabout and back over the motorway.
- Keep in the right-hand lane and at the first set of traffic lights, turn right into Ellerslie Racecourse Drive.

### IF YOU ARE COMING FROM THE NORTH:

- Take the Green Lane exit off the motorway (SH1).
- At the end of the off-ramp, turn left into Green Lane East.
- Keep in the right-hand lane and at the first set of traffic lights, turn right into Ellerslie Racecourse Drive.

The Ascot Central building will be on your right as you turn. There is a large blue 'Fertility Associates' sign on the front of the building. Go straight ahead to the roundabout and into the large carpark. This is a 'Pay-by-Plate' carpark.

**On entering the Ascot Central building, turn left at the lifts and Green Lane Imaging will be straight ahead.** We share rooms with the PET CT scanner.

### IF YOU ARE TRAVELLING BY TRAIN (5 -10 MINS WALK FROM STATION TO ASCOT CENTRAL):

From the Green Lane station, take the pedestrian walkway under the roundabout in the direction of Green Lane East. The walkway will exit just before the Novotel, and Ascot Central is the next building after this on your right.
